

## 1<sup>st</sup> UTILITY NOTICE

Jan 2023

**SUBJECT: CITY OF TEMECULA, CLASS 1 MULTI-USE TRAIL- DE PORTOLA, SANTIAGO ROAD TO MARGARTA ROAD AND JEDEDIAH SMITH ROAD, DE PORTOLA TO TEMECULA PARKWAY/ ERSC PROJECT NO.: 96018016**

Engineering Resources of Southern California, Inc. (ERSC) has been contracted to coordinate utility research by the City of Temecula, for the above-referenced project. The City of Temecula is currently in the planning stages for the subject project.

This project will consist of constructing a Class 1 multi-use trail along De Portola road from Santiago Road to Margarita Road and Jedediah Smith Road from De Portola Road to Temecula Parkway.

Please review your records and provide us with any information you have regarding your agency's existing facilities, showing location and depth within city streets. If you have a facility in the location of this project, we will notify you of the expected project completion date. We have enclosed a map showing the location of this project. Delays to construction caused by failure to relocate your facilities will be billed to your agency.

**Please mail or email this information directly to the office of the consulting engineer, Engineering Resources of Southern California, Inc. at:**

**Lori Askew, P.E.
